Dear Paul and Kay,

We send you greetings from the land of Mexico.

This past week, we held our annual missions conference at the downtown Center of Faith church where we have been working for the past year. Our guest speaker was Chuy Perales, who has a missionary training institute here in the city. Below is a picture of yours truly, Chuy Perales, our guest and Pastor Obed Muñoz.

Speaking of Obed, he is the new pastor of the downtown Center of Faith church where Juanita and I have previously worked. After being installed as pastor in August, 2019, I felt led to return in January of this year to return and help Obed and encourage him. He is the son of a pastor in the southern part of our State. Juanita and I have known his parents, Raymundo and Esperanza for over 40 years.

Obed is in the process of building up his ministry team. He has been teaching basics to his team. We also have been teaching from the book of Romans during our midweek services.

This coming year we will be teaching leadership training materials. One of our materials will be Doctrinal Foundations.

Obed turned 31 this past August. One of his greatest needs is a wife. As far as I know, there are now prospects in line, but we have folks who are praying with us, that the Lord will provide the perfect mate for him.

We had another major event during this year. The Lord blessed us with our second grandson, Abraham Israel. He was born on January 15. He joined his oldest brother James Giovanni who is now 3 years old.

This year has been a very different one. It started out with us starting to work at a different church. We were able to meet up with folks that we haven't seen in several years, as well as meeting many new members.

After the birth of our second grandson, came this health problem that has affected the entire world. We have lost a few friends as well as some pastor friends.

What we can say is that the Lord has been with us through it all. We are expecting greater things for the coming year. We cherish your prayers and support for us and the work here. This coming year we will celebrate our 39th anniversary as well as 44 years on the field.

Thank you for keeping us in your prayers. We love you and will be praying for you and yours too.

In Him,

Steve & Juanita Collins
