

Chapel Hill

UNITED METHODIST CHURCH

Dear Chapel Hill Church family and friends,

It is my honor to invite you to attend the Chapel Hill Open House Event, on Saturday September 11 from 2:00 to 4:00 pm.

Seven months ago, our church was flooded during the February 2021 winter crisis. At the time, we did not have any idea of the enormous amount of time, work, and funds that would be required to restore the church to a safe, comfortable, and beautiful place of worship for our members, friends and neighbors. The vision was to restore flood damaged areas and to do necessary construction that would insure building accessibility for all members. The restrooms were remodeled and are now ADA wheelchair compliant. A wheel chair ramp was added to the chancel area to enable all of our members to serve on the chancel area with the worship team. The new sound and production system is almost completed that will enable us to offer great quality worship production in the sanctuary and online.

The Chapel Hill Sanctuary is more than just another “Church Row” church. This church home was built out of the holy vision of Rev. Lavallo Lowe and the donations and work of the Chapel Hill church family. Seven years after breaking ground, the Chapel Hill sanctuary became the church home of many men, women, and children who devoted their lives to Jesus Christ.

The sanctuary is the holy place where new life began for so many of our members and the last place where lives were celebrated after our members passed over the River of Life. It is the place we baptize our babies, grow in Christ individually and as family. It is where we go for a Word from the Lord and to receive the Body and the Blood of Christ at the table of the Lord that is open to all. It is where we go to learn to love unconditionally from our God who is Love Incarnated and our church family that is saved in God’s love. It is the place we share our faith lives and learn to live in hope. It is the place we learn to welcome the stranger and be a good neighbor. It is the place where new life begins for God’s people. It is the place we share love and keep each other safe.

As God’s people, we are asking you to keep yourself and others safe by wearing a face covering while in the sanctuary and keep a safe distance from others. These small acts of love are simple ways of sharing our love and faith in our crucified Lord. We hope this is only temporary.

It is time to come home! We can’t wait to see YOU here.

Blessings all, Pastor Becky
